Hi -

Meet and Greet can be confirmed for the FH's if they'd like with the headliners. I'll put this on hold and play it by ear on Saturday. But as always, the offer is there and we can take pictures with the bands if the FH's so choose.

Thanks!

Hi-

Ashford & Simpson are ok with this before they go on outside thier trailer
Grand Master Flash is ok with this before he goes on outside his trailer.

Let me know if this is something the Freeholders would like to do.
