Re: Director of Public Safety of the County of Union

Dear Mr. Schwedes:

Thank you for your time, consideration and the opportunity to discuss the proposed appointment of Andrew Moran, currently a Captain in the Berkeley Heights Police Department to the position of Director of the Department of Public Safety for Union County. I request an opinion from your office as to whether the position of Director of Public Safety is not a PFRS position (and therefore N.J.S.A. 43:16A-3.1 and the six month waiting period contained therein would not apply). Toward that end I enclose the following documents:

1. Article XXI of the Union County Administrative Code creating the Department of Public Safety;
2. Organizational Chart for the County of Union;
3. Specific Organizational Chart for the Department of Public Safety.

There is no resolution appointing Directors to their positions because N.J.S.A. 40:41A-51(b) gives the power of appointment to the County Manager. However, Richard Childs was the immediate predecessor holding the position of acting Director since January 1, 2008. There has been no change in the duties of the Director as detailed in Article XXI during Mr. Child's tenure. His predecessor was Harold Gibson, who was a retired police officer and former PFRS member, not enrolled in any pension system during his tenure.

Nor has there been any relevant amendment to the Organizational Chart. As you can see, Mr. Moran, if appointed, will be Director of a Department and have indirect supervisory responsibility over four (4)

divisions. Three of those Divisions (Medical Examiner, Weights and Measures, and Environmental Health and Emergency Management) have civilian Division Heads and employees (members of PERS or DCRP). One Division (Police) is run by a Chief and is comprised of PFRS members.

The County has a need to fill the position expeditiously and desires to employ Mr. Moran but wishes to avoid any finding that his hiring would violate any ruling or relevant statute and seeks to avoid creating an untenable position for Mr. Moran wherein he accepts a position under a set of assumptions that are incorrect. We respectfully request a ruling from you on this issue. If you have any further questions or require additional information, please feel free to contact me at the above number or on my cell phone at (908) 578-4650. Thank you again for time and consideration.

Very truly yours,

NORMAN W. ALBERT, ESQ.
First Deputy County Counsel

B. The County Manager may, pursuant to the relevant portions of *N.J.S.A.* 30:8-20, *N.J.S.A.* 40:41A-27a and *N.J.S.A.* 40:41A-51b, appoint the Director of the Department of Correctional Services for a term not to exceed two years. Such appointment for a term shall not nullify or eliminate the authority of the County Manager to remove the Director of the Department of Correctional Services at any time during the term, without cause, pursuant to *N.J.S.A.* 40:41A-51c. However, such removal shall be subject to the right of the Director of the Department of Correctional Services to request a public hearing on such removal before the Board of Chosen Freeholders in accordance with the provisions of *N.J.S.A.* 40:41A-87b.
